

# S ACCESSORIES

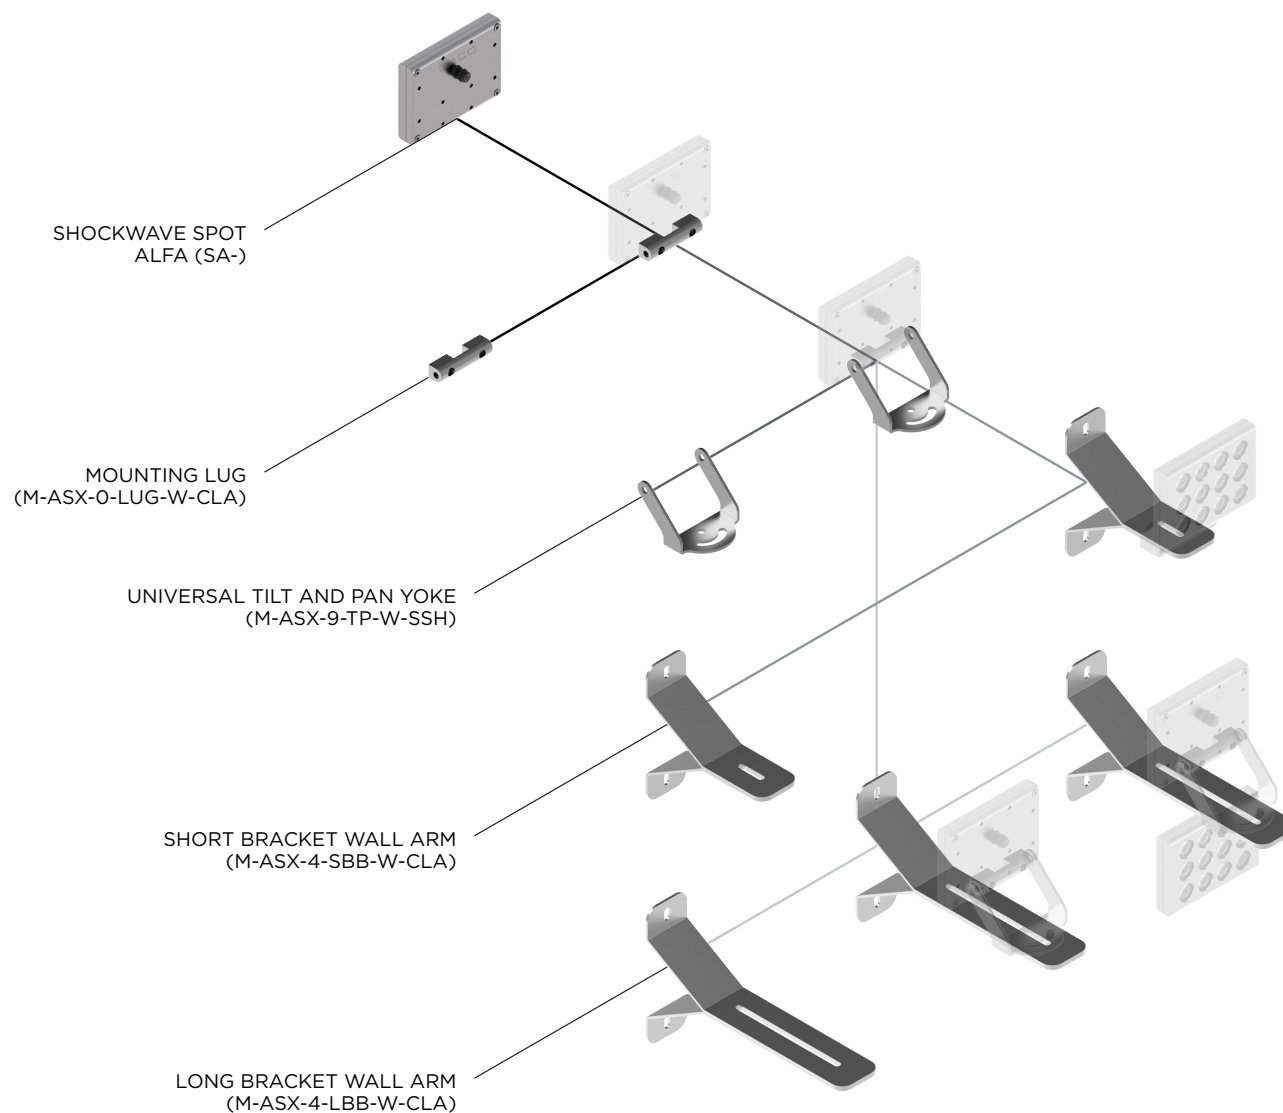

## SHOCKWAVE | SPOT ACCESSORIES

SACO Shockwave Spots also have a comprehensive and expanding range of accessories. Create any required fixture combination with our modular system. Mix and match mounting and joining parts to suit any project's requirements; tried and tested accessories can be used as-is, and custom ones can be manufactured allowing for the most complex configurations to be achieved.

**HIGH GEAR**  
**BUILT TO LAST**

Sturdy high-grade material hardware, for both indoor and outdoor use.  
Combine mounting, joining and optical accessories on a single fixture.  
Combine and stack accessorized fixtures to suit.
